Checking-in/Boarding Passes:

- The airline has issued an e-ticket therefore you can get your boarding pass at the airport on the day of departure either by providing your e-ticket number(s) or by showing a federally issued identification e.g. Passport or a Driver's License.
- You can also print your Boarding Pass(es) 24 hours prior to departure from the Airline's Website by using the Airline Confirmation Code(s) above.
- We recommend arriving at the airport 2.5 hours prior to departure for international flights and 1.5 hours prior to departure for domestic flights.
- As the traveler, you are responsible for all necessary travel documents and making sure that all are current (Passports, Visas, Driver's License). Please visit [TSA](#) for any questions regarding this, as well as information on check in procedures and airport security.
- Travel insurance is important - you never know what can happen. Call us at +1 858-256-7294 to purchase travel insurance coverage if you have not done so already.

Changes and Cancellations:

- Airline tickets are non-refundable, non-changeable and non-cancellable. In certain cases, an airline may allow a ticket to be changed for a fee, plus the increased cost of the new ticket.
- Changes: Call us at +1 858-256-7278 to make any kind of changes in the itinerary. Fees will apply due to airline penalties, fare differences, and other factors in order to change the itinerary.
- Cancellations: Call us at +1 858-256-7278. Your booking should be cancelled at least 3 hours prior to the scheduled departure time of your flight. Cancellations can only be processed over the phone.

Schedule Changes:

- It is strongly suggested to contact the airline 24 hours prior to your departure to reconfirm your flights, seats and baggage restrictions.
